SPECIAL COLLECTION OFFER

One plant each of 25 selected varieties, \$5.00 postpaid;
same collection in triplicate, 75 plants in all, \$10.00

EASTERN CUSTOMERS WILL FIND OUR ABILITY TO SHIP BOTH IRISES AND DAFFODILS BEFORE THE END OF JUNE AN INESTIMABLE ADVANTAGE, GIVING THE PLANTS AN EXTRA LONG PERIOD OF ROOT-GROWTH BEFORE THE ONSET OF WINTER.

SPECIAL NOTE

Our garden is not a large one, nor grandly landscaped, but it contains its full quota of rare and interesting plants, and those who will but remember that it is simply a horticultural workshop and do not expect too much of it otherwise, are always welcome visitors. In addition to our innumerable daffodils and irises, which form a collection not easily surpassed, we grow various species of Moraea and Nerine, a very fair array of freesias and Hemerocallis, and divers odds and ends in small bulbs, rock plants, peonies, and other perennials. Late spring and early summer and again the fall are in general the most favorable times to secure stock for planting, but to view the flowers our spring months are best, February and March for daffodils and April to June for irises.

THOSE COMING FROM OUT OF TOWN MAY APPRECIATE THE CONCLUDING REMINDER THAT REDLANDS IN ROSE AND ORANGE-BLOSSOM TIME IS A SIGHT WORTHY A FAR JOURNEY TO SEE.

Notes.

The Redlands Flower Show This Year is May 1, 2 and 3.
